ABOUT MEISSNER CRES

Meissner Commercial Real Estate Services is full service asset and property management firm offering institutional level property management. Our firm manages over 16 million square feet of office, retail, industrial, and multifamily properties, including Commercial Owner Associations, throughout Southern California and Arizona. Meissner is in business to enhance the ownership experience for our clients, to empower our team members, and to build professional, value-based relationships with our tenants, vendors, and industry organizations.
